

Stone & Tile Supply brings you some of the most exquisite marble and granite for your next project.

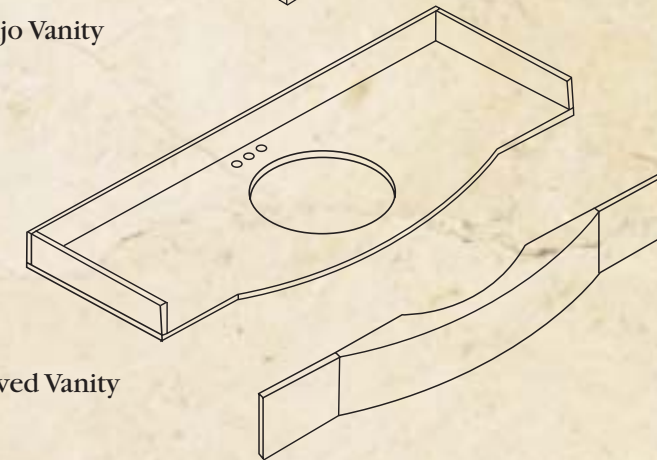

We offer an extraordinary selection of fine countertops and vanities in an array of colors, specifically crafted for lodging, commercial and multi-family residential applications. Cut to your custom specifications, expertly finished at the factory and shipped ready for installation to your site.

Since we are the fabricator, our overseas facility is able to offer you the most distinctive natural stones available. Stone & Tile guarantees to offer these one-of-a-kind products at significantly lower prices than other comparable imports - without sacrificing quality.

If you are in the business of building or renovating hotels/motels, office lobbies or new high-rise apartment complexes, call us toll free at (888) STONE 50. Find out about the guaranteed savings you'll realize when you order from our exceptional selection of countertops and vanities.
